### College Staff & Students Activities

(Issuing Hall Tickets, Examinations, Canvassing)

Curriculum- based public examinations are the dominant form of external high-stakes educational assessment. These examinations are used to certify that students have reached a prescribed level of learning and to select students for the next level of the education system or for employment. we know from these exams what teachers actually teach and what students learn. Hence, Sri Venkateswara University's scheduled first semester and third semester degree examinations have been conducted under a strict environment at Dr. YSR. GDC, Vedurukuppam from 9<sup>th</sup> May, 2022 to 21<sup>st</sup> May, 2022. Principal of the college - Dr. B. Annapurnasarada has planned to run the exams in a smooth fashion and in an effective manner. Dr. P. Babu & Dr. A.
