CULTURAL CORNER

➤ **Dr. B. R. Ambedkar Jayanti - (14-04-2023)**

Dr. B.R. Ambedkar Jayanti, also known as Bhim Jayanti, is celebrated annually on April 14th to commemorate the birth anniversary of Dr. Babasaheb Ambedkar, who was an Indian jurist, economist, social reformer, and politician who played a key role in the formation of India's constitution.

Keeping this in view, Dr. YSR, GDC, conducted an awareness program on Dr. B.R. Ambedkar Jayanti on April 14, 2023, to educate students about the life and contributions of the great man. The program was conducted by the IQAC coordinator- Dr. P. Venkatesu, and the academic coordinator- Smt. BLP Latha. Mr. K. Pavan Kumar, Lecturer in History was the main speaker

Fig.:The first words of the Speaker- Mr. K. Pavan Kumar, Lecturer in History, on the celebrations of Dr. B. R. Ambhetkar Jayanthi

At the end of the program, the principal, Dr. B. Annapurna Sarada, said that the goal of the awareness program should be to promote social equality, civil rights, and dignity for everyone, which was the essence of Dr. Ambedkar's ideals.

Here are the news clippings from the program.

➤ **Educational Tour (19-04-2023)**

An educational tour is an organized learning experience for students that involves academic activities, visits to historical or cultural sites, and exposure to different cultures and ways of life. This type of tour provides an opportunity for students to enhance their knowledge and gain a better understanding of a particular subject area.

Fig: Visit to the lightning industry at Chennai

The Department of Commerce and the Department of Computer Applications together initiated an educational tour on April 19th, 2023, to provide students with a break from their regular routines and offer a unique opportunity to step outside their comfort zones to explore new things. They facilitate lifelong learning as they encourage students to continue learning beyond the classroom setting.

About 45 students from commerce and computer application disciplines participated in the program under the able guidance of Dr. C. Mangalagowri and Sri. T. Narendra Babu. Here are some glimpses of the tour.

➤ **Awareness program on Malaria 3I: (25.04.2023)**

World Malaria Day is observed globally on April 25th each year to raise awareness about malaria and promote efforts to control and eliminate the disease. Celebrating this important day in college can serve as a platform to educate students, promote community engagement, and contribute to the global fight against malaria. This year the world 🌍 Malaria Day- Theme is Time to deliver zero malaria 3I i.e invest innovate and implement. The program was conducted by the Department of Zoology under the able guidance of Smt. BLP Latha. The vice principal, Dr.V. Prabhakar Rao, and the DRC coordinator, Dr.C. Aruna, along with 45 students, participated in the program.

Fig: Speech by Smt. BLP Latha, Dept. Zoology

Speaking to the students, they said that by organizing awareness campaigns, fundraising activities, community outreach, and educational initiatives and collaborations, colleges can make a meaningful impact on combating this life-threatening disease and fostering a generation of proactive global citizens.

celebrating World Earth Day in college provides an opportunity to educate students, engage the community, and inspire sustainable practices for a healthier and greener future.

Fig:Oath taken by the students to protect Earth

The program was conducted by the Department of Botany under the able guidance of Dr. C. Aruna, along with other science departments. The vice principal, Dr.V. Prabhakar Rao, and the academic coordinator, Smt. BLP Latha, along with 45 students, participated in the program.

➤ **Awareness program on World Earth Day: (22.04.2023)**

World Earth Day is observed globally on April 22nd each year to raise awareness about environmental issues and promote action.

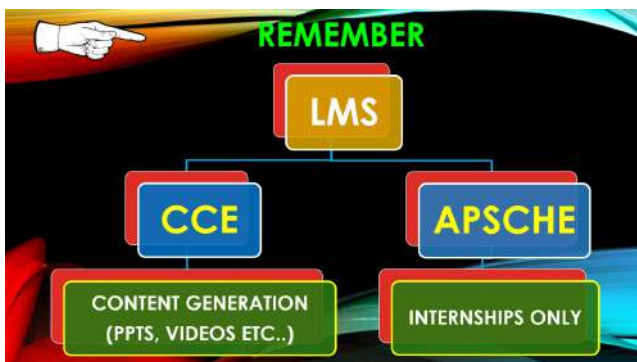

➤ **Awareness program on CSP, BCDE, LIP (27.04.2023)**

As per the revised CBCS-based curriculum, which is implemented in the academic year 2020-21, three internships are mandatory for all students, irrespective of the type of college and the program of study.

Community service and internships are two important activities that offer individuals opportunities to gain practical experience and give back to society in meaningful ways.

Both community service and internships offer individuals opportunities to develop new skills,

gain practical experience, and contribute to their community in meaningful ways. They are both valuable experiences that can help individuals grow personally and professionally while making a positive impact on society.

CSP- coordinator, Dr. K. Sankar Reddy, conducted an awareness program on CSP, BCDE, and LIP on April 27th, 2023, to inform the students and faculty members in the college. Here are a few glimpses of the program.

 ➤ Awareness program on I-MAP (27.04.2023)
 In Andhra Pradesh, several internship monitoring applications have been implemented to streamline the process, enhance transparency, and ensure effective supervision. These applications offer various features that facilitate the monitoring and evaluation of internships, benefiting both students and institutions.

The program was conducted under the able guidance of IFF coordinator Dr. P. Babu in the Computer Lab on the last dates of every month.
